## Brilliant Tutorials – The Power to Excel

Among lakhs of parents, students and teachers all over India, the name Brilliant Tutorials is not just well known, but acknowledged as a landmark on the road to higher education. Started a little over 4 decades ago, Brilliant Tutorials pioneered the concept of competitive exam training through correspondence courses. It devised and developed an original model for the design and delivery of high quality coaching material at the doorsteps of the students, no matter where they lived.

Brilliant offers coaching for IIT-JEE, AIEEE and Medical Entrance. The success of these courses is best illustrated by the fact that from virtually every state in India, students of Brilliant have made it into prestigious institutes like the IITs, the NITs, AIIMS, AFMC, JIPMER and CMC.

Brilliant's SKOOL EXAM PREP is a top quality Online Test Series for students of Classes VIII to XII of the CBSE Board. It assists them in developing conceptual understanding and analytical thinking ability of a very high order, to take on the demands of the Board and Competitive Exams. The SCHOOL TUTORING program from Brilliant focuses on the academic needs of the students of Classes VIII to XII of the CBSE Board, and helps them achieve excellence in their School and Board Examinations.

There simply isn't a single other institution that produces so many high ranks, in not just one, but a diversity of competitive exams around the country. For example, Brilliant's students have secured AIR-1 in IIT-JEE as many as 21 times in the last 29 years. In the year 2011, 1605 students of Brilliant were successful in IIT-JEE, 16 students secured All-India Ranks in Top 100 in AIEEE.

Come, join Brilliant Tutorials and give yourself the power to excel.
