Dear Parents

As per the directives given by the CBSE, Summative Assessment II will be conducted for the students at the end of the academic year. All students **except those leaving CBSE board** will take the **school conducted** Summative Assessment II. The **board conducted** Summative Assessment II will be taken **by those students leaving the CBSE board after Class 10.**

The Summative Assessment II (SA – II) conducted by the school (School conducted) and conducted by the Board (Board conducted) will be:

1. Based on same syllabus prescribed for Term II only.
2. Will carry the same weightage of 40% towards final grade.
3. Will be based on the same types of question papers in term of question paper design, blue print and difficulty level.
4. Will be evaluated on the basis of similar marking schemes prepared by the Board.

Both the School conducted SA- II and Board conducted SA – II will be based on the question papers sent/vetted by the Board.

The students appearing in the School conducted SA – II will be assessed by the schools themselves and their answer books will be randomly verified by the Board. However, the students appearing in the Board conducted SA – II will be assessed by the External Examiners as has been the practice in the past for Board Examinations.
