

10 ISG students to attend GYLC at Washington this year

Once again ISG has taken path breaking steps to inspire and motivate the students so that they grow with a better understanding of the world they live in. This year ISG is sending its largest ever contingent for the Global Youth Leaders Conference to be held in Washington DC and New York in June 2010. Students of ISG have been participating in this Youth Leadership Programme from 2002 and this year the participation has been unparalleled.

The participants attending the GYLC this year include Sa'ad Rayees, Mahalaxmi Subramanian, Nayantara Prem, Prachi Kulkarni, Akshay Atul Deshmukh, Roshan Shakeel, Homagni Ghosh, George Justin, Riya Varghese and Fahd Rayees.

These remarkable students have been nominated based on their exceptional skills in understanding the complexities of global issues as well as their articulate nature. The school hopes their training will stand them in good stead to be the future global leaders and responsible citizens of tomorrow.

The conference provides an opportunity for the students to interact with students from across the globe and explore leadership issues.

The Principal remarked that these students will certainly be true ambassadors of their school and country and will hence return with greater understanding of their roles as citizens of the world, as did so many of their seniors who have attended this Conference in the previous years.

‘ISG has been sending students to participate at the GYLC since 2002, and every year the number of participants have increased. Moreover the students of ISG have won the appreciation of the Organizers with each student finding a place in the GYLC Alumni List,’ said Mr. Amar Srivastava, the teacher in charge.

It was not so long ago that another student of ISG, Sai Prateek Narayan attended the GYLC in 2008. Further more, in appreciation of his exceptional leadership qualities he

was nominated to attend the swearing in ceremony of the President of USA Mr. Barack Obama. Sai Prateek was the only student from Oman at the PYLC, which is a rare distinction indeed.

The Management, Principal and Teachers of ISG wish the delegates of the GYLC all success whilst attending the conference this year.
