

Sterling performance by ISG at Science Fiesta

Indian school Al Ghubra showcased a sterling performance at the recently concluded Science Fiesta organized by the Science India Forum, Muscat. ISG was awarded the Rolling Trophy for the Junior category for the stupendous performance by the students.

Many students participated in the Shastra Prathiba Contest held in October last year. 23 secured A+ grade while 40 and 39 bagged the A and B+ grades respectively. 5 students won the coveted Shastra Pratibha title which was the highest from any single school in the capital region. The Shastra Prathibhas from ISG are Nayantara Suresh, Surya Suresh, Sonin Santosh, Aditya Sylesh and Aditya Sudan.

ISG bagged top honours at the Science Exhibition too with Sahana Kannan and Shadiya Shiraj winning in the Junior and Senior categories respectively. Their exhibits were lauded for their innovative and path breaking insight.

The skit 'What is your carbon footprint?' staged by the students of ISG won the first prize in the Skit Contest. The participants include Ashish Shakeel, Amaan Naushad, Reshma Kishore, David Freddy Paul, Pavitra Ramesh and Kavya Murugan.

Gavish Malhotra bagged the second prize in the senior debate.

The Principal lauded the dedicated effort of all the teachers and the sincere participation of the students for this brilliant achievement.
