

ISG Students to International Exchanges

Under the aegis of Round Square, which share a commitment beyond academic excellence to personal development, taking responsibility and serving others, seven students (so far) from Indian School, Al Ghubra have gone to other member schools in Australia, Canada and South Africa on Student Exchange Programme for a Term duration.

Round Square is a worldwide association of over eighty independent schools on five continents. Each school subscribes to Round Square's acronym IDEALS: internationalism, democracy, environmentalism, adventure, leadership, and service. The most powerful force in promoting international understanding is exposure to other cultures, and through their student exchange programs Round Square schools teach students to see themselves as global citizens who look beyond gender, class, race, nationality, culture and devote substantial time and energy to the service of others.

The following are the students who have already left for the Exchange programme:

Sa'ad Rayees	-	Lakefield College School, Canada
Akshay Atul Deshmukh	-	Ballarat Grammar School, Australia
Surabhi Seth	-	Ballarat Grammar School, Australia
Samantha A Mendonsa	-	St. Philip's College, Australia
Siddharth Murali	-	St Stithians Boys' College, South Africa
Gautam Gafoor	-	Appleby College, Canada

Seven more students would leave in the month of May / July on student exchange to various other RS member schools in Germany, Australia and South Africa.
