

INDIAN SCHOOL, AL GHUBRA

Teachers Delight Children on Childrens' Day

The teachers of Indian School Al Ghubra delighted the children with a variety of programmes to celebrate 14 November, observed as Childrens' Day in India. It was a welcome change for the students of the senior section who had just completed their term exam.

All the students came to school in coloured clothes which added to the excitement of the day. Hand made personalized cards and sweets were distributed to all the students.

The entertainment programme was preceded by a message from the Principal wherein she said that this was the way by which the teachers were expressing their love for the students.

First on stage were the teachers displaying the multi purpose utility of the unique Indian Costume - The Sari. A

medley of Hindi hits presented by the teachers took the children to the world of melody where they too joined in the rendition.

The very innovative Puppet Dance was well received by the children. This was followed by a skit which though spiced with humour had a strong message for the children on patience.

The students were thrilled to see the teachers dance to the tune of a popular Bollywood number. As a fitting finale to the day's programme, the Principal and the Vice Principal led their 'Fashionable Team' – the entire staff, on the stage to show their unconditional love for the students.
