

ISG-INTERNATIONAL

16 August, 2023

Dear Parents

Kindly be informed that programmes and events held in school will now be uploaded on social media platforms or the school website.

As part of an activity, your ward may feature in any of these videos or photographs. Kindly let us know, by sending an email to your ward's class teacher, if you **would not want** your ward to be part of any school activity video shared on social media or the school website.

If we do not hear from you before 20th August, 2023, we would take it as your consent for including your ward in any such video or photograph in connection with school activities.

Regards

Principal
