

ISG-INTERNATIONAL

18th September 2023

To Parents of students from KG to Grade12

Dear Parents,

Please note, whenever students come to school, whether it is for a meeting, to visit the school store, to watch a programme wherein their brother or sister is performing, to Parent – Teacher meetings, they must wear the **COMPLETE SCHOOL UNIFORM**. This includes wearing formal school shoes and socks too.

Our students have been known for their smart deportment and we want them to continue to uphold this standard.

We seek your support, as always.

With best wishes,

Principal
